Spread Good Thick Linoleum

Your kitchen work will tire you less if you put down good linoleum.

Linoleum is made of cork and oil. It has a spring to it that softens the constant pounding of your heels on the hard wooden floor.

Good linoleum costs little more than a shoddy grade; costs less than a rug; is sanitary and wears for years.

Put linoleum on your kitchen floor. It protects the paint and makes your work less.

Printed grade 50c, 60c and 75c per yard.

Inlaid grade, 90c, \$1.00, 1.25, 1.50 per yard.

We carry in stock both the imported and domestic linoleums.

Put Up the Curtains

You will need new portiers perhaps when the fall "cleaning" is done—new lace curtains for one or two rooms—curtain poles and rings.

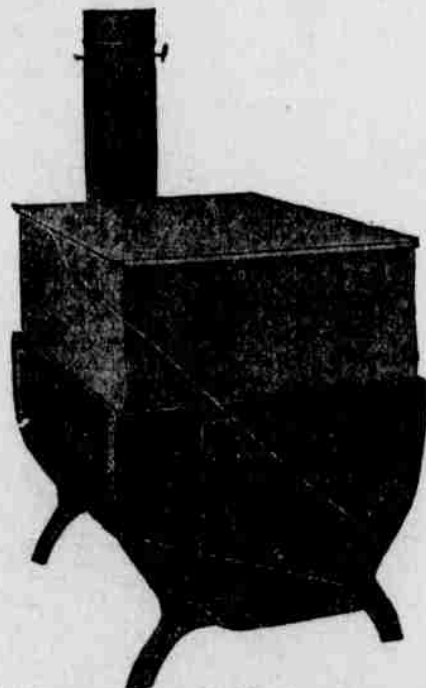

You'll want something our drapery section can supply more quickly and cheaply than you can get it elsewhere.

You'll find an unusual exhibit of fine lace curtains and new patterns in scrim.

FARM TALK

You have a lot of things now to make the pigs thrive—small potatoes, apples, pumpkins, corn, etc., etc., and the way to cook these things is in a "Farmer's Boiler." Don't monopolize the kitchen stove, and then holler because dinner isn't ready on time—a 50 gal. Boiler only costs \$12.50, and it will be useful for heating water when you come to dress these same pigs. Buy one of these Boilers, and you will wonder how you ever got along without it.

The court fined the young man \$5 and costs of \$5.30, the latter having grown to \$6.29, when the respondent arranged to pay, after spending the night at police headquarters. Do you intend seeing "Bunty" which comes to the opera house tonight? If so, get in line at the first opportunity. That is, if you are a theatre goer, and looking for good things. "Bunty" is one of the real live products of the stage. That is, it is not "stagey," just a visit to "Hiland folks." They may be strange to you, but you will like them, and as for "Bunty," she is the cleverest politician that ever visited Barre. She has her "hat in the ring" from the beginning to the end of the play, and she makes good every minute. "Bunty" is so thoroughly Scotch, so fearfully un-American that she reminds one of eating old fashioned taffy. It is "all over" before you get the taste, and keeps you longing for more.

RELIABILITY

Our business is founded and run on the principle that it is far better to make our customers than merely to make sales. Everything we buy and show must conform to this principle. The question with us is not "Will it sell?" but "Will it make a friend for the store? Will it give the customers full value for the amount of money expended?" What you think of your purchase today is not so important to us as what you will think of it next week, next month or next year. For this reason we naturally incline toward these goods that we know by experience will give satisfaction, or those that are guaranteed by their makers. The goods we advertise and those we offer for sale we know will give you full value for the money expended, and even more. The following goods we want to bring to your mind as those that we are very strong on just now.

MUNSING UNDERWEAR

No cheaper good underwear on the market.

Children's Pants and Shirts at 50c each. Union Suits at 50c and \$1.00 each. 50c Union Suits have drop seats.

Ladies' Vests and Pants in white or ecru at 50c for heavy fleeced and \$1.00 for wool. Union Suits in bleached at \$1.00; in ecru at same price. Heavy wool from \$2.00 up to \$3.00 each.

You can very readily see that these Munsing prices are very low.

We have all of this Munsing Underwear in sizes 7, 8 and 9, the largest made, so that large and extra large people can get just as good an assortment as smaller people.

We have been selling Munsing Underwear ever since their mill began to sell the eastern trade. Our customers have proved to us its real merit. We are now asking you to give it a trial.

WOOL DRESSES

We are still talking Wool Dresses. The reason we are saying so much about these Dresses is because we have an exceptionally good line, and at prices that appeal to those we have shown them to as the best values they have seen.

When you can buy for \$5.75 an All Wool Serge in all colors, made in a good style and of a model that fits like a Dress you would pay \$10.00 for, you cannot afford to be without one.

The \$7.75 models are a nice tailored style Dress. Are made and draped over live models, thus insuring a perfect fitting Dress.

At \$8.50 are two extremely good models. These are Dresses that are made by practical Dress people, and the fit of them gives them the style.

At \$10.00 and \$12.00 are a number of good models in Serge Dresses that are neat and are finished with braid and lace yokes and collar.

We received to-day a new Brown Corduroy model that is very good. See them.

LADIES' SEPARATE SKIRTS

We have just received a large invoice of our new Fall Skirts. Here is a line of Skirts that is made by New England people and are especially designed for the New England trade. When you buy one of these Skirts you get a garment that is made in the best of style and of a material that will wear extra well.

At \$3.98 is a special Chiffon Panama Skirt. Is made in one of the new fall models and of a fine all wool cloth.

At \$5.50 is one of the new models made from a good quality all wool American Mills serge. This is a good value.

At \$5.75 are three new models that are made up from a fine all wool serge. Are made in the new models with the outlet plate at the bottom, which gives the new shape to the skirt.

At \$7.50 and \$7.75 are four new models in a Skirt that will appeal to you as of an extra good value. These Skirts come in blacks, blues, browns and mixtures.

We are now showing one of the largest and best lines of Ladies' and Children's Coats we have ever had. Here you will find some extremely new and popular models of the latest designs.

The new program of vaudeville at the Pavilion furnished a very amusing entertainment for the patrons of that theatre last night. Both acts are of a comedy nature and were good. The Weston sisters offer an unusual sister act, consisting of harmony singing and comedy, in which they completely won the audience. Their singing numbers are nicely rendered and the comedy contains many hearty laughs. Stewart & Stewart presented a comedy musical act in which good musical selections and black face comedy were offered. As an extra added feature for to-morrow night, the Pavilion Stock company, consisting of J. N. Gall, G. H. Douglass and O. G. Burnell, will present the comedy sketch, "The Lawyer's Dilemma." The comedy part of the act will be played by O. G. Burnell, who is well known in the city. Great pains are being taken to make it the best amateur sketch ever seen in the city. W. H. Duthie is managing the company and with the other members is making every effort possible to make it a big hit.
